Why Choose Vorster Incorporated Attorneys:

Vorster Incorporated Attorneys is a well-established law firm which has specialized in Property Law since 2001. With more than 20 years of experience we have streamlined our processes in such a way which results in excellent turnaround times. We offer a free consultation to new clients to discuss their transaction and we add value to our clients' experience on all levels during the conveyancing process. This is why you should choose us!

Key Field of Practice:

Our dynamic law firm specializes in the transfer of immovable property, registration of residential and commercial deeds- and notarial bonds, as well as sectional title development. We serve on the Absa and Nedbank Home loan registration and Bond cancellation panels and so we are able to provide added services such as the registration of new ABSA and Nedbank bond and the cancellation of existing ABSA and Nedbank bonds, drawing up of a special power of attorneys if parties cannot sign themselves, as well as obtaining building plans from the City Council. Our firm was the 2022 ABSA Category winner for excellent turnaround time of Internal Registrations.

Customer Services:

For most clients becoming a homeowner is one of their biggest events in life. Our main objective is to provide excellent customer services. Years in the industry have taught us how to meet the needs and expectations of our clients as well as how to anticipate and understand unrecognized needs. Throughout the transaction continuous updates are provided which also contributes to the positive experience of using our firm. This fosters a relationship with clients which adds to the growing success of our business.

New Technology:

We continuously strive to ensure that we make use of the most up to date technologies and programmes to add value to our services. By using Lexis Tracker our clients as well as all parties involved receive weekly well-informed updates throughout the conveyancing process. This pro-active approach seeks a swift cost-effective resolution and streamlining of the conveyancing process.

Turnaround Times:

As Travel Attorneys our message-carrier travels daily between different Deeds Offices. This enables us to follow strict timelines which results in excellent turnaround times and the saving of hidden costs to both the seller and the purchaser of the property.

Training for Candidate Property Practitioners:

It is mandatory for Property Practitioners to earn CPD points each year, and our experienced training team offers weekly training to Property Practitioners to fulfil this requirement. Here at Vorster Inc, we offer Logbook Training, PDE 4 Preparation Courses, Sales Training as well as training on specific topics requested from agencies.

Availability:

Here at Vorster Inc, we are aware that urgent issues might arise after hours. We are therefore available to our clients after hours regarding urgent matters.
